

NASC STUDENT LIAISON TO BE NAMED

The State Student Council organizations of the Middle Atlantic States have created a new student position called the NASC Region 2 Student Liaison. In the past, NASC has had one student representative from each of its eight regions in the country. In a cost-saving effort, NASC begins in 2010 to narrow their NASC Advisor Committee membership to four students and four advisors down from a total of sixteen.

The state organizations of Region 2 (Delaware, Maryland, New Jersey, New York, and Pennsylvania) feel that when the representative term of Stephen DeSalvo of New York comes to an end in June 2010, that one student should still serve the region. This student will:

1. Serve from July 1, 2010 to June 30, 2012.
2. Foster communication between the state presidents and Executive Directors of the Middle Atlantic states.
3. Communicate student ideas and concerns from the states of Region 2 with student representatives serving on the NASC Advisory Committee.
4. Assist with the planning of the annual spring meeting of NASC Region 2 state officers and Executive Directors.
5. Foster the sharing of ideas and projects among the state organizations of Region 2.

PASC now seek to begin the process of naming a Pennsylvania nominee for this position. Present freshman and sophomores may apply. The following is the PASC application process.

1. An application can be obtained from PASC at PASCInfo@aol.com or by downloading information at www.pasc.net.
2. The application is due to the PASC Office by postmark deadline October 30, 2009.
3. The PASC committee on NASC Relations will review student applications and select three finalists. Students will be notified by November 18, 2009.
4. The three finalists will be interviewed by the NASC Relations Committee on Friday, January 15, 2010 in Altoona, Pa
5. The PASC nominee will be interviewed at the NASC Region 2 State Officers meeting in New Jersey on Saturday, April 24, 2010 along with other nominees from NASC Region 2 states.
