District 10 Still Needs A Spring Host School Site

REGION G STUDENT REPRESENTATIVE TRANSITION

Thank You: Jonelle Mackus from Easton Area High School is our outgoing Region G Student Representative. Jonelle will be attending Northampton Community College preparing for her major in communications. Her sophomore college year she will be heading west to the University of Pittsburgh to continue her major in communications. Jonelle's three-year term as a student member of the PASC State Executive Board was enlightening and enriching for all students and adults that had the pleasure of working with her. Welcome: Gracie Sloane from Boyertown High School. Gracie joins us as a sophomore for her two-year term representing District 10 and 13 as Region G Student Representative to PASC Executive Board. We are looking forward to working side by side with District 13 and Gracie.

District 10 Host School 2010 Needed

We are looking forward to experiencing a day filled with quality leadership and idea-sharing activities all we need is a welcoming school site. Suggestions for holding the District 10 Spring conference at Kutztown University, Northampton Community College or Lehigh University have been put on the table. If you could please email me at diehlp@eastonsd.org with input as to whether you may be interested in attending a one day leadership conference with a campus tour and college connection.

DISTRICT 10 Meeting held Nov. 12-14, 2009 @ Pennridge HS

During the PASC State Conference a meeting was held in conjunction with a presentation highlighting PASC Alumni. Items discussed were the possibilities of alternate sites for this years District 10 spring conference and a Lehigh Valley Mini-Thon. No District 10 schools in attendance were able to serve as host sites for the 2010 Spring District 10 Conference. An informative presentation featuring PASC Alumni was enjoyed by all in attendance at the Region G Meeting. PASC Alumni information is available at www.pasc.net

District 10 Executive Board

In an effort to **provide support** for conference host schools, to **facilitate better communication** in District 10, and to **develop quality student council programs** in our three county areas for high schools and middle schools, we designed a board structure consisting of advisors and student leaders in District 10. See www.pasc.net for a copy of District 10 Constitution and description of District 10 Executive Board. Opportunities to still serve, as members of the District 10 Board are still available, please email me at diehlp@eastonsd.org if interested.
