THE RACE IS ON

It's time to embark on an amazing race...the 2010 PASC District Conference. This year's event is hosted by the PASC District 3 board and will be held at Dorseyville Middle School in the Fox Chapel School District. The conference is co-chaired by Tyler McTigue, Deer Lakes High School and Patrick Nowak, Pine-Richland High School.

The theme of the conference, LEADSTRONG, will focus on the topics of determination, motivation, teamwork, and communication. Student led workshops will be a highlight of this event. Dr. Larry Butterini, principal at North Allegheny High School, will deliver the keynote address. Dr. Butterini was recognized by the Pennsylvania Association of Elementary and Secondary School Principals as the Pennsylvania High School Principal of the Year in 2006.

The registration deadline for this leadership journey is March 5, 2010. Log on to <http://leadstrong.weebly.com/> for more information.

CONFERENCE HOSTS NEEDED

District 3 is looking for hosts for the 2010 District 3 Middle Level Mini Conference and for the District 3 Conference in 2011. If you are interested in hosting or would like more information on how to bid to host a conference, please contact Jackie Jaros. Contact information is in the blue panel to the left.

There is an incentive for schools to consider hosting the district conference. The school that accepts the bid for the district conference and hosts the conference will be awarded up to five registrations for the state conference following the district conference. Please consider this amazing leadership opportunity.

STATE CONFERENCE 2010

Plan ahead for the state conference 2010 to be hosted on October 7-9. The cost of the conference will be decided next month.

Since the conference is hosted much earlier this fall than in past years, you may wish to consider seeking board approval this spring for the trip. As always, District 3 will share a charter bus with neighboring districts. Rose Ann Fulena, district 2 director, will send out bussing information at the start of the 2010-2011 school year. Keep your eyes to your email for the bussing information.

ADVISOR NEWS AND NOTES

- If there will be a change in the advisor and/or in school contact information for the coming school year, please contact Jackie Jaros using the contact information located in the side panel. It will allow us to make changes at the state level to ensure that you will continue to receive all of the information that you are entitled to as a member of PASC.
- If you are not receiving your PASCNews, please contact Jackie Jaros. We want to assure that all of our members are getting the most up to date leadership information.
- Due to the winter storm of 2010, the Washington, DC LEAD was cancelled.
- Due to inclement weather and lack of registrations, the Exchange Night at West Mifflin was cancelled. We wish to extend our thanks to the West Mifflin Student Council for planning the Exchange Night. The Exchange Night is a great opportunity for students to exchange ideas with students and for advisors to exchange ideas with advisors. The Exchange Night is hosted on the year opposite the PAL Conference.

DISTRICT 3 BOARD SEATS

The District 3 Board is seeking new members for the 2010-2011 school year. We are seeking both high school and middle school students as well as advisors. If you are interested, please come to the District Conference caucus prepared to address the caucus members and state why your school would be the best choice to sit on the district board. District board meetings are held monthly in the evening and at different sites around Allegheny County. Please consider serving on the District 3 Board. Share your gift and passion for leadership.
