Alumni Give Back to PASC

November 14th, 2009 marked the official kick-off to a new year as the Pennsylvania Association of Student Councils Alumni Partners. Thirty-eight alumni gathered at Pennridge High School in eastern PA for the 2009 PASC State Conference. The day began with a breakfast social sponsored by the PASC Executive Board. We would like to especially thank Mr. Jim Finnemeyer for all of his support.

After the breakfast, alumni gave back to PASC by breaking up into panels and speaking to the delegation about the importance of networking. Alumni conveyed the message that the connections one makes through PASC are lifetime connections that he or she can continue to rely on even after graduation. Thank you to everyone who took the time to give back and encourage the delegates to stay connected. This program was orchestrated by a 2004 graduate of Pennridge High School and active member of PASC, Nate Wambold.

Thank you, Nate, for devoting your time and energy to such a positive and motivating program!

Following the program, Alumni engaged in the first Alumni Partners meeting focused around brainstorming and collaboration for the future of the Partners. Alumni discussed such possibilities as Alumni Chapters for social gatherings, future Alumni Programs to continue giving back to PASC, and clothing apparel to promote the Partners. Alumni also expressed interest in assisting with recruitment for summer workshops under the leadership of Bryan Shelly. This meeting was a great opportunity to get everybody's ideas down on paper and begin the planning process. Now, it is time for all of us to move forward with our ideas and really make a difference!

GEORGE MEYER SCHOLARSHIP FUND

Thank you to Bob Tryanski, Lori Kinast and Chay Strays for all of their work generating donations to go toward the George Meyer Scholarship Fund. The team has already raised over \$1800 that will be allocated to schools that cannot afford to send student leaders to summer workshops.

If you would like to help Bob and his team, feel free to email him at btryanski@mac.com

“KEEP IT” CAMPAIGN FOR IVORY PARK

PASC is partnering with *Bob Tryanski Presents* to launch the first of what will be a series of projects designed to mobilize students throughout the United States to work collaboratively to solve global challenges. By joining The Campaign for Ivory Park, students will have a hands-on opportunity to “Act Locally and Reach Globally!”

Kathy Coll and the 2009 Advanced Gold delegates have made a commitment to raise \$50,000 to go toward renovating a community center in Ivory Park, one of the poorest townships in South Africa. The team has already collected nearly \$500 worth of books and school supplies that Kathy delivered to the community this past summer.

Please encourage all PASC Alumni to visit www.pasc.net and complete the alumni survey, so they are added to our database!
