2025 REGION F CONVENTION

Cedar Crest High School is thrilled to announce to that they will be hosting the 2025 Region F Convention. Their council is gearing up to B.L.A.S.T. off Into Leadership with the theme being space. B.L.A.S.T. will be an acronym standing for B: building connection, L: leading your council, A: attaining participation, S: school spirit, and T: teamwork development. Unlike traditional conventions, Cedar Crest has decided to do large group, activity based sessions instead of workshops due to time restraints. So, pack your space suits, helmets, and get ready to take leadership to infinity and beyond. Additional information about the time, date, and registration can be found to the right.

STUDENT SPOTLIGHT

Hi! My name is Ciona Kauffman and I'm the York County Student Council Representative for Region F. I am a Sophomore at Red Lion. I have been in student council for 4 years and am currently a member of the Appreciation committee. I am also in Marching Band, Symphonic Band, Concert Choir, Madrigal Choir, All-School Musical, Envirothon, Junior Achievement, and STEAM ahead! I love student council so very much and the way it has increased my leadership skills in all of my activities and daily life. One of my favorite things that our council does is our class cup carnival! We have a competition throughout the year between classes and collect points, then the winning class gets a super fun event day! My class hasn't won yet but it's so much fun to work and plan! I look forward to continuing to represent my district and county!
