October 2024

October Board Meeting Update

2025 Region F Conference: There is still NO host for the 2025 Region F Conference. Possible alternatives were discussed such as doing a virtual conference or hosting at the York Fairgrounds. If interested in hosting, please reach out to Dwayne or any board member.

2024 State Convention: There will be members of the board attending the state conference in-person and virtually. The state has seen an overall drop in participation, hence the deadline to register being pushed back.

Summer Camp: Region F sent 15 students to summer camp. This is awesome since last year the region did not send anyone. Keep reaching out to your council and encourage them to sign-up for summer camp in 2025.

Upcoming Events

2024 State Convention: November 1-2.

Region F Board Meeting: February 4
(9:30 a.m.) Cedar Crest High School

Region F Board Vacancies

Counties with Current Board Members:

Adams - new term 2026 < open >

Dauphin - new term 2026 - < open >

Perry - new term 2026 - < open >

Lancaster - new term 2025 - Elizabethtown SD

Lebanon - new term 2025 - Cedar Crest HS

York - new term 2025 - Red Lion Area SD

PASC Membership

Do you want to be a part of an organization that exists to develop, engage, and celebrate leaders across the state? If you answered yes, then consider joining as a member school through PASC. Membership has been plummeting since COVID and the board is trying to regain members.

Member schools get access to discounted rates for conferences and summer camp, opportunities for students to run for positions at the regional and state level, and have the opportunity to host regional and state events. If interested contact Dwayne or anyone on the board and visit <https://www.pasc.net/membership>.

Student Spotlight

Hi! My name is Katie Idgunji and I am the Region F Rep for Lebanon County. I am a senior at Cedar Crest High School and the current president of our Student Council. In addition, I participate in Renaissance Club, Show Choir, the school newspaper, accompany the choirs, and play tennis. My love for student council has only grown since I first joined in middle school. It is exciting to see everyone come together to organize amazing events for our student body. My favorite activity that our council does is COLA (connecting others through literacy and arts). Through this program, we are able to read and organize crafts to do with the third graders. This is an awesome opportunity for our council to create positive interactions with the younger students in our district!

Council Corner

Each month, a different council on the Region F Board will highlight a recent activity they ran at their school. Through this corner, the hope is that students and advisors will be able to see ideas from other schools and take them back to their council.

Each October, Cedar Crest High School's Student Council runs an event called Falcon Fair. At the event, each club is able to sell and showcase what their club does and what they stand for. This allows the underclassman to be able to learn about the many clubs offered throughout the school year. In addition, there are food trucks and food stands where students are able to purchase items throughout the day. There are also many yard games and entertainment options for students to participate in. The day concludes with a senior vs. staff football game. Overall, the event is a great way for students to take a step away from their regular coursework and spend a day with friends laughing, having fun, and learning about clubs around the school.
